January 2027

Dear Member,

These are the Show Schedules for the coming Year, if we can make it as successful as last year or even better, it will be good for us all.

In 2026 we had two successful shows, Thanks to all of you who entered classes as without them there is no show, also those who visited, participated in any way and enjoyed the show. Plus, my thanks, to all that helped with the staging and managing of the shows this requires a big effort from the committee, members and volunteers who work hard to get the shows ready for everyone to enjoy.

Please look through the schedules, see the various classes you could enter, there is something for everyone to have a go. The more who enter, the better the competition and show will be for all. Everything is better if you participate and not just spectate.

I make no apology for repeating myself and will repeat my yearly call to you all. To stage these shows involves considerable costs monetarily, and whilst not staged to 'make a profit' it is important that we all do whatever we can to support them so they can be successful.

As many of you have discovered you don't need to be an 'expert' to enter or win. Thinking you aren't good enough is a mistake and a betrayal of your own ability. Get your family members and friends involved too, even if they aren't a member they can still compete and join in. 'Go on, Give it a Go' surprise yourself.

On the Show days, beside the show itself, remember there's a Plant Stall, Jenny's famous Lunches & Refreshments plus the Grand Tombola.

I ask you all **please** make the effort to make the shows successful, enter something, come along and give your support. I will be looking out for you on the day.

Best Regards,

Graham Pettitt

Secretary/Membership Secretary/Publicity Officer

Mix the soft cheese with the mustard if using and a good grinding of black pepper. Divide between the middles of the pastry squares and smooth over in a diagonal line from one corner to the opposite side.
Lay a bacon rasher over the soft cheese then scatter over the grated cheese. Brush the two exposed corners of pastry with beaten egg and fold over the top of the filling to join together. Brush the tops with egg then slide the baking parchment on to a baking sheet and bake 15-20 mins until the cheese has melted and pastry is golden.
Transfer to a cooling rack.
